Sir:

In response to the Office Action dated October 7, 2003, please amend the above-identified application as follows on the accompanying pages.

IN THE CLAIMS.

1-8. (Canceled).

9. (Currently Amended) ~~The image data processing apparatus according to any of claims 1 to 3,~~ An image data processing apparatus comprising:

a parameter setting unit which sets a parameter representing contents of a predetermined image processing to be executed on image data;

a data saving unit which saves the image data and the parameter together with relating information;

a data acquiring unit which acquires the image data and the parameter by referring to the relating information; and

an image processing reproducing unit which obtains image data subjected to the specified image processing based on the acquired image data and parameter;
